the humanities through the arts tenth edition explores the humanities with an emphasis on the arts
examining the relationship of the humanities to values objects and events important to people is
central to this book we make a distinction between artists and other humanists artists reveal
values while other humanists examine or reflect on values we study how values are revealed in
the arts while keeping in mind a basic question what is art judging by the existence of ancient
artifacts we see that artistic expression is one of the most fundamental human activities it binds
us together as a people by revealing the most important values of our culture
