this essay sheds light on what is a life changing career opportunity demystifies the different types of life changing career opportunities that people can receive explicates how to receive life changing career opportunities and expounds upon the benefits of receiving life changing career opportunities succinctly stated a life changing career opportunity is deemed to be an opportunity to be pursuant of a worthwhile career being pursuant of a worthwhile career can furnish a person with the chance to generate substantial wealth a life changing career opportunity is the antithesis of most real private sector employee jobs based on voluntary demand furthermore a life changing career opportunity is not deemed to be a minimum wage job opportunity moreover a life changing career opportunity is also

devoid of hazardous working conditions in stark contrast to most minimum wage job opportunities that are unable to precipitate a modicum of job fulfillment if a person were to be pursuant of them a life changing career opportunity has the latent potential to induce career fulfillment if a person were to avail himself of it the real private sector employee job market is not replete with life changing career opportunities life changing career opportunities are more scarce in the real private sector employee job market than minimum wage job opportunities it can be eminently cumbersome for a person to receive a life changing career opportunity in the real private sector employee job market this is because life changing career opportunities are offered far less frequently to people by the gatekeepers of opportunities who arbitrarily determine whether or not a lucrative opportunity to obtain a luxury job that can allow a person to summarily attain extreme fame leverage and obtain extreme wealth will be furnished to him than minimum wage job opportunities are offered to people by companies minimum wage job opportunities in the real private sector employee job market are not only a far cry from life changing career opportunities but are also eminently undesirable to be pursuant of working most real private sector employee jobs based on voluntary demand is uncondusive to furnishing a person with enough fiat currency to be able to afford to attain an extremely low standard of living in stark contrast to life changing career opportunities in the real private sector employee job market minimum wage job opportunities are abound in the real private sector employee job market most people are eminently recalcitrant about being pursuant of most real private sector employee jobs based on voluntary demand partially because working most of them has no bearing on helping them to ameliorate their financial health in the long haul as of november of 2024 the total cost to attain an extremely low standard of living can be eminently sizeable in order to attain an extremely low standard of living a person needs to earn enough fiat currency to at least be able to afford to not only pay the perpetually recurring room rental fee and be able to afford to not only purchase a vehicle purchase functional vehicle parts incessantly purchase food incessantly purchase fuel and incessantly purchase oil but also needs to earn enough fiat currency to at least be able to afford to pay the perpetually recurring exorbitant auto insurance premium pay the perpetually recurring driver s license renewal fee pay the perpetually recurring exorbitant vehicle registration fee pay the perpetually recurring tire rotation fee pay the perpetually recurring internet subscription service fee and pay the perpetually recurring smartphone

subscription service fee lamentably most real private sector employee jobs based on voluntary demand are often deemed to be dead end highly time depleting debilitating minimum wage dispiriting unfulfilling harrowing distressful brutally wretched ineffably agonizing jobs that not only drain almost all of the employee s sacrosanct time but also do not pay anything close to 1 4 of a subsistence wage for affording housing most real private sector employers are keen on not offering any benefits nor pension to their employees in spite of how much hard work time effort and mental bandwidth that they expended fulfilling their job responsibilities the only way to get out of poverty is to have your recurring revenue streams generate enough revenue to offset your recurring expenses
